### **1. Application for Temporary Registration**

Application for Temporary Registration requires the applicant to submit the following along with a copy of the attached application form to the NSCC office.

- a.) Notarized application form and undertaking (see attached);
- b.) Two (2) passport sized photographs which must also be notarized;
- c.) A letter of good standing from the province or region in which you currently hold a license. If you hold a license in more than one jurisdiction, you must submit a letter of good standing from each of those jurisdictions;
- d.) Provide proof of sufficient malpractice insurance coverage (\$4 million per year, and \$2 million per incident: NSCC Policy Prof-1);
- e.) For chiropractors wishing to utilize acupuncture as part of their treatment plan, you must also submit with your application, proof of acupuncture certification and proof of sufficient liability insurance specific for acupuncture (as per NSCC Policy Prof-3);
- f.) Pay a \$50 application fee payable to the Nova Scotia College of Chiropractors;
- g.) Completion of any additional registration requirements as outlined by the Chiropractic Act, Regulations and Policies of the Board of the Nova Scotia College of Chiropractors.

Temporary Registration is offered as a form of Special Event Conditional Licensure under the Chiropractic Act (1999). A Special Event Conditional License will allow for the practice of Chiropractic in Nova Scotia with the following Conditions/Restrictions. Failure to comply with any of these conditions/restrictions may result in immediate suspension of the Conditional License, and may be subject to further action as deemed necessary by the Board of the Nova Scotia College of Chiropractors. Once approved, this license will be valid for one calendar year.

## **2. Conditions/Restrictions:**

- a.) As per the NSCC Regulations pursuant to the Chiropractic Act (1999), no person shall be approved for temporary registration whose name has been removed from the register of a Board-approved chiropractic professional association or college by reason of the person's conduct or a disciplinary proceeding arising out of the person's conduct.
- b.) For chiropractors who are traveling with a specific team, registration is limited to the chiropractic management of the athletes, coaches and those directly associated with that team. No event officials or volunteers, nor any spectators, may be treated at the sporting event.
- c.) For chiropractors who comprise part of a host medical team at an event, registration is limited to the chiropractic management of athletes, coaches, officials, volunteers, mission staff and those who are directly associated with the event itself. No spectators may be treated.
- d.) No charge is to be made to the patient for chiropractic services.
- e.) Informed consent form approved by CCPA must be used.
- f.) Acupuncture may be used as an adjunctive therapy and not as a stand-alone treatment, as per NSCC Policy PROF-3.
